

REMARKS

Amendments to the Specification

The specification has been amended to update the priority claim and also to correct matters of form, including the correction of typographical errors and to provide the proper reference for various trademarks in the application. Specifically, the specification has been amended to capitalize all of the trademark names where found in the specification.

Applicants respectfully request entry of these amendments to the specification. No new matter has been added by way of these amendments to the specification.

Amendments to the Claims

Claims 1-15 and 20-25 are pending. Claims 13-15 and 20-25 (previously withdrawn) have been canceled as drawn to a non-elected invention. Claim 11 has been amended merely to include the amendment agreed to during the Examiner Interview on June 12, 2011.

Applicants respectfully request entry of these amendments to the specification. No new matter has been added by way of these amendments to the claims.

Conclusion

If the Examiner has any questions regarding this response, he is invited to call the undersigned attorney.
